O NAMA

Naše preduzeće postoji još od 1997. godine. Prvo kao zanatska radnja, "Drvo-Stil" a od 2011. godine prelazi u "Pino Art" doo, privredno društvo koje se za ovih 27 godina postepeno pozicioniralo na tržištu Srbije i širilo poslovanje na čitav region pa i šire.

Za kratko vreme uspeali smo da izgradimo preduzeće sa prepoznatljivim imenom i proizvodnim asortimanom.

Od osnivanja nas karakteriše kontinuirani i postepeni razvoj u stručnom i kreativnom kadru. Uz najmoderniju tehnologiju nudimo jednostavna rešenja, elegantan dizajn i jednostavno rukovanje dok svojim iskustvom i znanjem postavljamo inovativne trendove na tržištu kupatilskog nameštaja što nas čini jednim od lidera u ovoj oblasti.

Velikim angažovanjem menadžmenta i svih zaposlenih naše firme uspeali smo da plasiramo proizvode na tržište zapadne Evrope gde izvozimo 40 – 50% našeg asortimana.

U narednom periodu planiramo obogaćivanje ponude novim proizvodima, usavršavanje postojeće proizvodnje i osvajanje novih tržišta.

Od 2024. godine u cilju brige o životnoj sredini jedan deo proizvodnih kapaciteta pokrivamo iz obnovljivih izvora energije.

ABOUT US

Our company has existed since 1997. First as a craft shop, "WOOD-Stil" and since 2011 has grown into "Pino Art" Ltd., a company that over the past 27 years has gradually positioned itself in the Serbian market and expanded its business to the entire Balkan region and beyond across Europe.

In a short-period time, we managed to evolve into a company with a recognizable name and product range.

Since the beginning we have been continuously and gradually grown together with our professional and creative staff. With modern technology, we offer simple solutions, elegant design and user friendly products. With our experience and knowledge, we are setting innovative trends in the bathroom furniture production market, which makes us one of the leaders in the field.

Thanks to the great engagement of our management and all employees, we managed to place products on the Western Europe market where we today export 40-50% of the entire production.

In the coming period, we plan to enrich the offer with new product lines, improve existing production and conquer new markets.

Starting in 2024, we are committed to increasing environmental awareness by incorporating renewable energy sources into a portion of our production capacity.

Time spent amongst trees is never wasted time.

MISTIK

MISTIK

Minimalistički MISTIK dizajn posebno dolazi do izražaja u kombinaciji sa kompakt pločom i nadgradnim umivaonikom.

The minimalist design of MISTIK stands out, especially when paired with a compact board and surface-mounted washbasin.

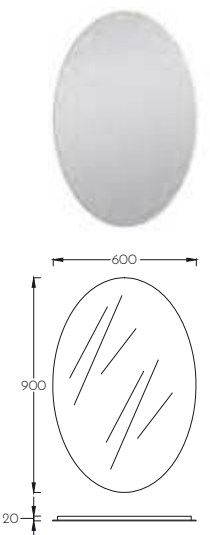

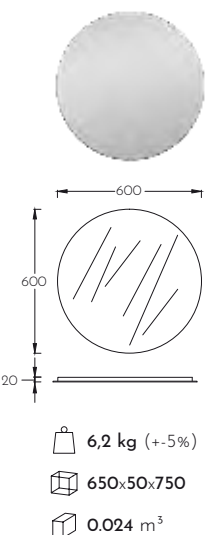

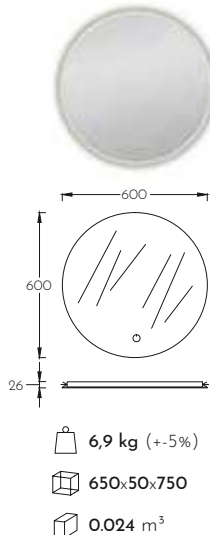

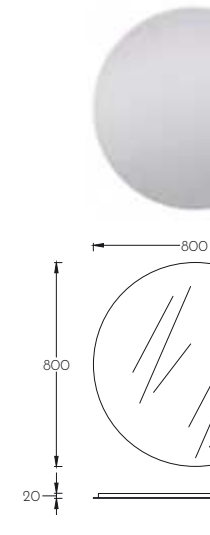

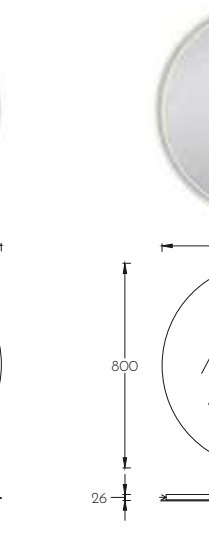

Uz MISTIK modele odlično se kombinuju Art ovalna ogledala opremljena skrivenom LED rasvetom koja pored praktične primene pruža i ambijentalno estetski doživljaj.

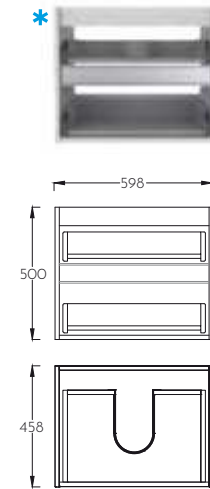

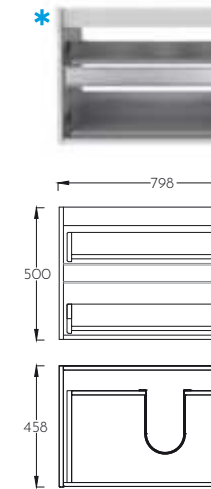

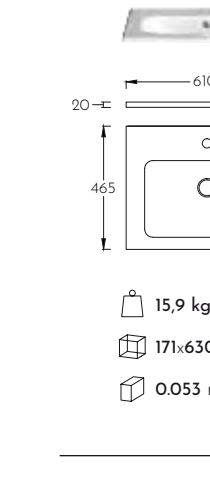

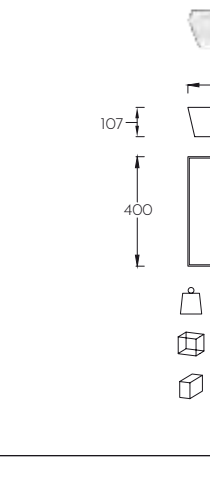

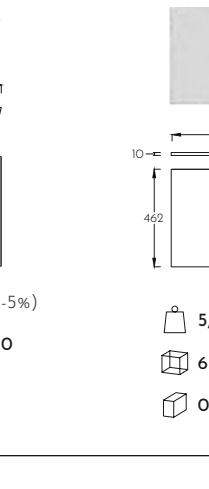

Art oval mirrors equipped with hidden LED lighting go well with MISTIK models, which, in addition to practical application, also provide an ambient aesthetic experience.

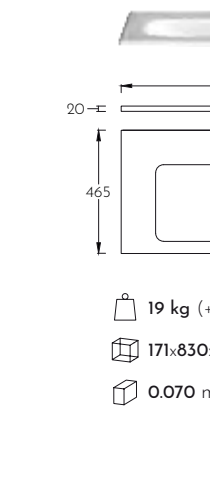

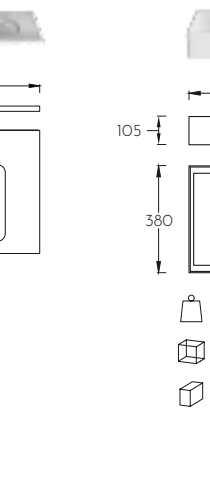

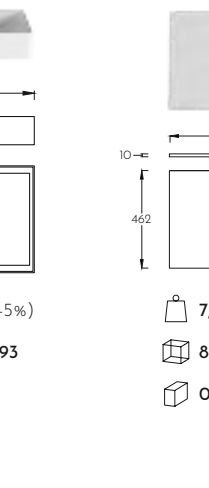

Trodimenzionalna forma MISTIK lica uvodi novi duh modernom prostoru. Raznovrsnost različitih oblika i dezena pruža velike mogućnosti kombinovanja u različitim enterijerima.

The three-dimensional form of the MISTIK faces introduces a contemporary essence to spaces, harmonizing diverse shapes and patterns. Its innovative design offers versatile integration within various interior settings.

A photograph of a modern bathroom vanity. The vanity is a white, rectangular, drop-in style sink with a smooth, glossy finish. It is mounted on a light-colored wooden cabinet with a single drawer. The sink features a central chrome faucet with a cylindrical body and a curved spout. To the left of the faucet is a square, light-colored soap dispenser with a chrome pump. To the right is a cylindrical, dark-colored soap holder with a textured surface. The background is a plain, light-colored wall.
